# FAQ

## **Q: How big are your group classes?**

A: To ensure quality learning, we have a limited intake of 9 students per class.

## **Q: Why is your group program starting only in June?**

A: We normally experience a huge amount of enquiries and intakes during the June holiday period. Thus, this is specially catered for these students for last minute intensive revision. Alternatively if you wish to start immediately at a flexible time period, you can consider our flexible 1 to 1 program.

## **Q: How does the guarantee works?**

A: It is really simple! So long if you fulfill our attendance policy of 100% and fully participate in every of our lessons, if you do not achieved at least a "Pass" in your Promos, we will review your case and refund you within one week!

# FAQ

## **Q: Can I pay by instalment via cash or cheque?**

A : The instalment plan is only available for credit card payment, subjected to your own credit card's bank internal approval for instalment payment. Varying from banks, the approved instalment period may vary from 3 months to 12 months. For cash, cheque or internet banking, full payment is required.

## **Q: Why is payment made in one lump sum instead of monthly basis like other centres?**

A : The *nature* of our service is significantly different. Unlike other centres with no clear definition of time period (we promise only 10 lessons) and no promise for results (we guarantee at least a "Pass"), our program requires your full commitment to be part of our program and reasonable understanding that "A" grade is not built overnight. Hence, your commitment will come in the form of the upfront payment policy so that we know you are serious in scoring "A" too!

# FAQ

**Q: What if I find that program is unsuitable for me after I join?**

A: We do not face applicants whom find our program unsuitable thus far and have a satisfactory rate of 100%!

**Q: I have sudden CCA / school commitments. How?**

A: We understand that schedules for JC students are very tight and unforeseen circumstances may happen. For students with last minute CCA or school activities, my classes caters perfectly for flexibility. If you happen to miss your group slot, please notify Mr Jeffrey 1 day in advance and he will release the access of the recorded class videos to you in order to catch up at home!

For 1 to 1 students – please notify Mr Jeffrey 1 day before to schedule for a make up lesson.
