

# SHOULD I CHANGE SUBJECT COMBINATION AS A PRIVATE CANDIDATE?

## PREVIOUS SUBJECT NOT OFFERED TO PC

Some subjects are only for school students

## TOO MUCH CONTENT TO LEARN

The content might be too overwhelming

## LOST INTEREST IN SUBJECTS TAKEN

With a lack of interest, there is no motivation

## WHY CHANGE?

## WHAT TO CONSIDER?

### AVAILABILITY OF SUBJECT

Some subjects require background knowledge

### FEASIBILITY OF SUBJECT COMBINATION

Current subject combi is too content-heavy

### RELEVANCE TO UNIVERSITY

Consider its impact on university applications

### H2 ECONS AS A NEW SUBJECT

Not recommended - too much content

### H1 ECONS AS A NEW SUBJECT

Feasible - less content to cover than H2

### DROPPING FROM H2 TO H1 ECONS

Recommended - more time to study

## WHAT ABOUT ECONS?
